DES MOINES - The number of initial unemployment claims in Iowa, filed between Sunday, April 4, and Saturday, April 10, was 5,279, a decrease of 846 from last week's adjusted numbers. There were 4,829 initial claims by individuals who work and live in Iowa, and 450 claims by individuals who work in Iowa and live in another state. The number of continuing weekly unemployment claims was 34,116, a decrease of 3,756 from the previous week. For the week ending April 10, 2021, nearly 45.7% of claimants indicated their claims were not COVID-19 related, which is a decrease from 50.9% the previous week.

The U.S. Department of Labor adjusted last week's initial claim number to 6,125 (a decrease of 645) and continuing claims to 37,872 (a decrease of 770). Iowa Workforce Development relies upon the weekly data released by the U.S. Department of Labor to report its numbers and as such, adopts the revisions to the previously published data.

IWD will continue to pay eligible claimants for the federal extensions for Pandemic Unemployment Assistance (PUA), Federal Pandemic Unemployment Compensation (FPUC), and Pandemic Emergency Unemployment Compensation (PEUC) through September 4, 2021. If you do exhaust regular state benefits, you will be automatically enrolled in the PEUC program. If you are notified that your benefit year has expired, you must file a new claim online to determine your continued eligibility. Due to current call volumes, we encourage customers to call only if they need assistance filing their claims. Additional customer questions can be answered by emailing uicclaimshelp@iwd.iowa.gov. Thank you for your patience and understanding.

Claimants who have received a notice of federal benefit overpayment now have the option to request an overpayment waiver for PEUC, FPUC, PUA and Lost Wages Assistance (LWA) benefits. The overpayment waiver form is available online: <https://www.iowaworkforcedevelopment.gov/application-overpayment-waiver>

IowaWORKS centers and satellite offices are providing limited in-person services to assist customers with work search activities and basic employment assistance. Workshops and classes will not be offered at this time. Customers with questions regarding unemployment insurance benefits should continue to contact the IWD call center at 1-866-239-0843 or email uicclaimshelp@iwd.iowa.gov to obtain information about their claims.

Claimants receiving unemployment are required to perform weekly work searches. Those who will be required to begin work searches will be notified by IWD. We have also posted updates on our website regarding this requirement. There are currently almost 60,000 job openings at <https://www.iowaworks.gov>. Not all claimants will be required to begin work searches, including for example, those who are receiving PUA benefits due to a medical condition or lack of childcare.

Employers are required to notify their employees about Unemployment Insurance (UI) benefits in accordance with Iowa Administrative Code Section 871-22.19. The requirement ensures that workers are aware of the benefits they may be eligible for if they become unemployed or experience a reduction in hours.

Employees and employers who have questions regarding returning to work should review the Frequently Asked Questions for each group on our website. Assistance for employers can be found here: <https://www.iowaworkforcedevelopment.gov/covid19-information-employers>
